

Reading Response Trifold

An activity sheet that students use and refer to during each silent reading session.

Materials:

Self- Selected Book

Reading Response Trifold Template

Each trifold panel contains three parts: Strategy, Focus, and Respond.

***The Strategy component:** students review and apply a specific reading strategy, such as visualizing, prediction, or summarizing.*

***The Focus component:** Students read the specific Focus section and Use a sticky note to mark the appropriate find in the text.*

***Respond:** After students have finished the reading assignments for a particular section, they can answer the Respond question. This will require the student to not only refer back to the text and scan for relevant information, but also apply relevant reading strategies to help them formulate a written response*
